

PRIVACY POLICY

Who we are

Our website address is: <https://www.cathrinhagey.com>.

What personal data we collect and why we collect it

Comments

When visitors leave comments on the site we collect the data shown in the comments form, and also the visitor's IP address and browser user agent string to help spam detection.

An anonymized string created from your email address (also called a hash) may be provided to the Gravatar service to see if you are using it. The Gravatar service privacy policy is available here: <https://automattic.com/privacy/>. After approval of your comment, your profile picture is visible to the public in the context of your comment.

Cookies

This website may use "cookies" to enhance visitor experience. Typically, cookies may be placed on visitors' hard drive for record-keeping purposes and sometimes to track information about them. Visitors may choose to set their web browser to refuse cookies, or to send an alert when cookies are being sent. If they do so, note that some parts of the site may not function properly.

Non-personal Information

This website may collect non-personal information about visitors when they interact with the site. This information may include the browser name, means of connection to the site, and other non-identifying information.

Embedded content from other websites

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.

How long we retain your data

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognize and approve any follow-up comments automatically instead of holding them in a moderation queue.

For users that register on our website (if any), we also store the personal information they provide in their user profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also see and edit that information.

What rights you have over your data

If you have an account on this site, or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes.

Where we send your data

Visitor comments may be checked through an automated spam detection service.

What third parties we receive data from

Sometimes <https://www.cathrinhagey.com> will include third-party links through email or on the website. These sites have their own policies and you should read those before subscribing or purchasing from them.

Security of Information

All information is saved by Bluehost.com and only Cathrin Hagey can access them. Should a data breach ever occur, subscribers will be notified within 7 days.
